

Legislation

Statutory Guidance

Open or close

Statutory guidance has been published which supports the **Procurement Reform (Scotland) Act 2014** and the wider application of the new procurement legislation in Scotland.

The statutory guidance covers the following topics:

- Procurement Strategies and annual reports
- Sustainable Procurement duty
- Community Benefits requirements
- Fair Work First requirements in Procurement
- Selection of Tenderers and Award of contracts
- Procurement for health or social services

If you require further information about the statutory guidance please email **scottishprocurement@gov.scot**.

Scottish Government Policy Handbook

Open or close

The **Scottish Procurement Policy Handbook** sets out the fundamental rules, behaviours and standards applicable to public procurement activity in Scotland.
