New Australia/New Zealand Trade Agreement

Information Notice

We recently mentioned some <u>upcoming changes regarding the new UK Trade</u>

Agreements with Australia and New Zealand. These legislative changes are now live.

These changes will update guidance on the following areas:

- using PINs (Prior Information Notice) as a call for competition (any references to such are now being removed)
- estimating the prices of contracts and
- terminating contracts

Please refer to Scottish Public Procurement Note <u>Public procurement – Australia and New Zealand Free Trade Agreements (SPPN 1/2023)</u> for more information on these changes.
